

AUSTRALIAN CAPITAL TERRITORY REMUNERATION TRIBUNAL

Statement Number 148

Part-time Holders of Public Office

Commissioner for Surveys

Background

Sub-section 10(1)(s) of the *Remuneration Tribunal Act 1995* provides for the Tribunal to inquire into, and determine, the remuneration and allowances to be paid, and other entitlements to be granted to a person holding an office or appointment, or a class of offices or appointments, specified in an instrument given to the Tribunal by the Chief Minister.

The Tribunal last considered the office of Commissioner for Surveys in April 2003 and made Determination 119 dated 8 April 2003.

This latest review, which sought submissions from interested parties, was advertised in the press on 4 and 7 February 2004.

Tribunal Consideration

While no submissions were received in respect of the Commissioner for Surveys, the Tribunal considered that as the role of the Commissioner is closely aligned to Full-time Holders of Public Office, it should be treated in a similar fashion and reviewed at the same time as Full-time Offices.

Remuneration

The Tribunal determined that the Commissioner for Surveys be granted the same level of increase (3.4%) as Full-time Holders of Public Office.

The remuneration and entitlements shall continue to be payable on a pro-rata basis, based on the actual number of days worked per fortnight.

Other Entitlements

Accompanied Travel Entitlement

The Tribunal considered whether the employer provided benefit for accompanied travel be rolled into salary to simplify administration of office holders pay. The Tribunal decided to defer any decision and requested that further details be provided by the Tribunal Secretariat.

Motor Vehicle – Cash in lieu

The Tribunal considered whether there should be an increase in the cash in lieu where an office holder elects to take the cash instead of the motor vehicle.

The Tribunal determined that the cash benefit of 75% be increased to 90% of the notional value of the motor vehicle entitlement.
