

# AUSTRALIAN CAPITAL TERRITORY REMUNERATION TRIBUNAL

## Statement Number 164

### Commissioner for Public Administration

#### Background

The Tribunal has maintained a practice of granting similar increases to the Commissioner for Public Administration as to those granted to Chief Executives and Executives, as the positions undergo a similar job-sizing process.

As part of its annual review of remuneration and entitlements in April 2004, the Tribunal determined a 3.4% increase for the Commissioner for Public Administration from 1 July 2004. The increase was based, in part, on the proposed initial increase for staff of the ACT Public Service under a new certified agreement.

The increase was finally settled at 5.0% and the additional 1.6% increase was passed on to Executives.

#### Tribunal Decision

The Tribunal has determined that remuneration for the Commissioner for Public Administration be increased by a further 1.6% per annum with effect from 1 July 2004, making a total of a 5% increase over the remuneration applicable at 30 June 2004.
