Dear Ms Lambert

Under section 10(1) of the *Remuneration Tribunal Act 1995*, I have signed the attached instrument to refer the Chair position on the Canberra Region Medical Education Council (CRMEC) to the ACT Remuneration Tribunal. I would appreciate you inquiring into and determining the remuneration and allowances to be paid, and other entitlements to be granted to this public office.

The CRMEC is a non-statutory body established in 2014 to accredit prevocational (i.e., intern and resident) medical training positions in the ACT and Southern NSW region. The CRMEC is accredited by the Australian Medical Council to undertake this accreditation role.

The CRMEC meets four times annually and is an advisory Council providing expertise in medical education and accreditation in the ACT and linked regional networks. Since it has been established, previous holders of the Chair position have not been entitled to remuneration due to their concurrent public service roles, so there is no current remuneration set for this position. The current CRMEC Chair is expected to leave their public service role and become eligible for remuneration as of this month.

I have attached the Terms of Reference and complete Questionnaire to assist the ACT Remuneration Tribunal in making a determination.

I would like to thank the ACT Remuneration Tribunal for assisting with the remuneration of the Chair position on the CRMEC.

Yours sincerely
