CIVIC SQUARE ACT 2608

Email: remtrib@act.gov.au

Dear Ms Lambert

Sandra

Under Section 10(1) of the *Remuneration Tribunal Act 1995* I have signed the attached instrument in relation to the position of Defence and Advanced Technology Industry Advocate. I would appreciate if you would inquire into and determine the remuneration and allowances to be paid and any other entitlements to be granted to these public offices.

The Defence and Advanced Technology Industry Advocate is a non-statutory position established to facilitate connections and growth opportunities within the ACT by identifying, aligning, promoting, and championing Defence and related industries. One Defence and Advanced Technology Industry Advocate will be appointed as a result of a review of the Defence Industry Advisory Board, which has now ceased.

The position will be part-time with an expected workload of ten hours per week which may be averaged as activity fluctuates over weeks and months.

I have attached the position description for the Defence and Advanced Technology Industry Advocate, a market sounding report commissioned by the Chief Minister, Treasury and Economic Development Directorate, and the completed *Public Office Holder Questionnaire* to assist the Remuneration Tribunal in making a determination.

I also request that the Defence Industry Advisory Board be removed from all future determinations as this Board has now ceased.

If further information is required, please contact Angela Lee in the Chief Minister, Treasury and Economic Development Directorate on (02) 6205 8449 or email Angela.Lee@act.gov.au.

I would like to thank the Remuneration Tribunal for assisting with the establishment of the Defence and Advanced Technology Industry Advocates.

Yours sincerely
