Dear Ms Lambert *Sandra*

Under section 10(1) of the *Remuneration Tribunal Act 1995* I have signed the attached instrument in relation to the Board of Engineering Excellence Chair and Members. I would appreciate it if you would inquire into and determine the remuneration and allowances to be paid and other entitlements to be granted to these public offices.

The Board of Engineering Excellence will provide engineering advice and leadership to the ACT Government. The Board will:

- advocate for the engineering sector;
- provide strategic advice to government on emerging engineering issues;
- promote innovation and current industry trends in the engineering profession;
- provide strategic advice on engineer workforce planning for the ACT Government and industry; and
- support the implementation of the ACT's Professional Engineers Registration Scheme, as required by the Professional Engineers Registrar.

The ACT Government has agreed to these positions being operational as soon as possible. As such, I appreciate your urgent consideration of this determination request.

I have attached the completed Questionnaire to assist the Remuneration Tribunal in making a determination.

If further information is required, please contact Paul Sutton on 0421 075 984 or email Paul.Sutton@act.gov.au.

I would like to thank the Remuneration Tribunal for assisting with the establishment of the Board of Engineering Excellence.

Yours sincerely

Andrew Barr MLA
